FEDERAL COURT VETERANS  
  
DIVERSION PROGRAM  
PILOT PROJECT

FIRST AMENDED  
GENERAL ORDER 2018-03

Re: Development and implementation of a Federal Court Veterans Diversion Program for adjudication of Central Violations Bureau (CVB) citations at the Veterans Administration Medical (VAN) facility, Reno, Nevada

The U. S. District Court for the Unofficial Northern Division of the District of Nevada and the Veterans Administration Medical (VAM) Reno have identified the need for more specific, individualized options for the resolution of mental health/substance abuse CVB citations issued at the northern Nevada Veterans Administration Medical facility. Working together, a pilot program for a Federal Court Diversion process was adopted by this court to address the needs of U.S. Veterans with regard to such citations. The program appears to have been met with certain, albeit somewhat limited, success.

Accordingly, IT IS ORDERED the program known as Federal Court Veterans Diversion Program shall continue in the Unofficial Northern Division for the District of Nevada for a period of one year from the date of this order after which it will be further evaluated. The program will be managed by the U.S. Magistrate Judges of the Unofficial Northern Division of the U.S. District Court of the District of Nevada.

DATED this 18<sup>th</sup> day of November, 2019.

MIRANDA M. DU  
CHIEF UNITED STATES DISTRICT JUDGE
