

UNITED STATES DISTRICT COURT DISTRICT OF NEVADA

The U.S. District Court Conference Is Pivoting To Virtual!

It has been a year of adaptation which is why the theme,

Adaptability in Uncertain Times,

is so appropriate for this year's conference.

From Dean Chemerinsky's always informative overview

of recent Supreme Court decisions -

to recommended best practices for

"virtual lawyering" - to a discussion of how the

Bench and Bar have adapted

in the face of the pandemic,

the program will be rich and comprehensive.

This event will include dynamic sessions,
spirited dialogue, and insightful live panels.

We intend to bring you the caliber of information
you've come to expect from this annual event -

as well as the opportunity to

earn general and substance abuse CLE credits.
